Objective

To build a career in the field of academia and to contribute to the development of humanity through computer science research.

Education

M.Sc. in Computer Science and Engineering, Bangladesh University of Engineering and Technology (BUET), June 2009 (Expected), current CGPA: 4.00 (out of 4.00), ranked 1st among 90 students.

B.Sc. in Computer Science and Engineering, Bangladesh University of Engineering and Technology (BUET), November 2006, CGPA: 3.95 (Major: 3.98) (out of 4.00), ranked 4th among 118 students.

Area of interest

Algorithms, Graph Theory, Computational Geometry, Wireless Ad-hoc Networks, Wireless Sensor Networks.

Research Experience

August 2007 – Present: Worked with Dr. A. K. M. Ashikur Rahman on

- “Energy Efficient Fault Tolerant Wireless Network”.

December 2006 – April 2007: Worked with Dr. Md. Humayun Kabir on

- “Network Processors”.

July 2005 – November 2007: Worked with Prof. Dr. Abul Kashem Mia on

- “On-Line Algorithms for Rankings of Graphs”.

Work Experience

- November 2006 – Present: Lecturer, Department of Computer Science and Engineering, BUET.
- July 2000 – December 2000: Lab assistant, Physics Lab, Notre Dame College, Dhaka, Bangladesh.

Awards and Honors

2001 – 2006: Dean’s Award, BUET, in each year of undergraduate study.

2001 – 2006: BUET Academic Merit Scholarship in each semester.
